

PERSONALIZED HANDWRITTEN ENGRAVING FORM

There are multiple boxes so you can practice your engraving until you get it exactly how you want it to appear.

We will engrave everything you mark inside the box including text, characters, symbols, numbers, etc.

EXAMPLE:

I LOVE YOU - Megan	<input checked="" type="checkbox"/>
--------------------	-------------------------------------

IMPORTANT: Please use black ink and apply enough pressure so that your handwriting is solid and uniform throughout. Please use a pen that draws thicker lines, i.e do not use a fine-point pen.

Please mark the box next to the writing sample you would like to use for your engraving.

	<input type="checkbox"/>
	<input type="checkbox"/>
	<input type="checkbox"/>
	<input type="checkbox"/>

After you are done please scan this form or take a picture of your handwriting, and email it to service@larsonjewelers.com

Please reference your order number in your email.
